

Ba baa baa bu baa bu baabu
You know that i i i love you
Ba baa baa bu baa bu baabu
You know that i i i love you

Love you love you you you
Aay haay haay jaata hai kahaan
Sun sun sun sun o meri jaa
Dil chura ke jaa rahaa hai hoga
Tujhako aana phir yaha yaha yaha you you

Aay haay haay jaati hai kahaan
Sun sun sun sun o meri jaa
Dil chura ke jaa rahi hai hoga
Tujhako aana phir yaha you you
Ba baa baa bu baa bu baabu
You know that i i i love you

Mausam ye kah rahaa hai
Tujhe main pyaar ki bahaar du
Main bhi ye sochati hu
Tujhe main aur intezaar du
Agar tu hasin hai to jawaan
Main bhi hun mere sanam
Ja na karib aa na deewanepan ki hai
Tujhe kasam kasam kasam you you

Aay haay haay jaata hai kahaan
Sun sun sun sun o meri jaa
Dil chura ke jaa raha hai hoga tujhako
Aana phir yaha yaha yaha you you
Aay haay haay jaati hai kahaan
Sun sun sun sun o meri jaa
Dil chura ke jaa rahi hai hoga
Tujhako aana phir yaha you you
Ba baa baa bu baa bu baabu
You know that i i i love you

Tum to ajib ho ji jo kahana
Mera maanate nahi
Tum bhi kamaal ho ji jo haal

Mera jaanate nahi
Chhodo sataao na yu ki
Phir milege ham yahi pe kal
Aao chalaao na yu milege phir na
Hamako aise pal haa palye pal you you

Aay haay haay jaata hai kahaan
Sun sun sun sun o meri jaa
Dil churaa ke jaa rahaa hai hoga
Tujhako aana phir yaha yaha yaha you you
Aay haay haay jaati hai kahaan
Sun sun sun sun o meri jaa
Dil churaa ke jaa rahi hai hoga
Tujhako aana phir yaha you you
Ba baa baa bu baa bu baabu
You know that i i i love you
Ba baa baa bu baa bu baabu
You know that i i i love you.
