

Jab aane wale aate hai  
Phir aa ke chale kyun jate hai

Ik aag laga kar sine me  
Kyu dur khade muskate hai

Lakho thi umange jab dil ne  
Tere pyar ki aas lagai thi  
Tere pyar ki aas lagai thi

Tera pyar to hamko mil na saka  
Teri yad se dil bahalate hai

Jab aane wale aate hai  
Phir aa ke chale kyu jate hai

Eye duniya walo dekho hum  
Kaise taqadir ke mare hai

Eye duniya walo dekho hum  
Kaise taqadir ke mare hai  
Kaise taqadir ke mare hai

Ham unke hai dil unka hai

Phir bhi wo hame thukrate hai

Jab aane wale aate hai  
Phir aa ke chale kyu jate hai

Tadpane wale shad rahe  
Wo jaha bhi hai aabad rahe  
Wo jaha bhi hai aabad rahe

Itna hi gila hai bas unse  
Kyun yaad hame wo aate hai

Jab aane wale aate hai  
Phir aa ke chale kyu jate hai

Ik aag laga kar sine me  
Kyu dur khade muskate hai.
