

Yaad hai wo din...jab koi na tha sath
Kehte the sare..chal chal tu mere sath
Kehte the sare yu...yeh kya banata tu
Ghar beth bethke..dimag khapata tu

I said u know...this is my life
My passion, direction, my fasion,
Correction, traction, attraction, my nation,
Relation..no patience !!

Cheap mic pe guzari zindagi maine
Paisa na tha..par recording ki maine..
Sare doston ko baate gane..bole wahh re
Style tera sabto vakhra oo veere...

Kaise karu main bayan puri zindagi
Ye 40 sec hain ashure meri ankahi...
Baton ko pura karega d-s
Second verse goin through..on n on the hook !

Many many obstacle comes in your life
Bhut don't ever loose your pride
Let the people say what they say
And do what you like !

Ik bat hai batani...kai saalo purani...
Bade bande ae ...par kismat ye na ai..
Na aya wo paisa...na aya wo rutba..
Na aya kuch waisa....zara soch mere bhai
Kyu...soch mere bhai
Aisa kyu...zara soch mere bhai
Kyu...soch mere bhai
Aisa kyu kyu kyu...zara soch mere bhai

Bharose ki ye bat sari...be youself
Harega na tu kbi....put your collars up
Chalta ja chalta ja...tu hai bheed se alag..
Proud of wht u r...you're the survival of fittest

Koi kuch bole..jane de...
Tu gata to hai..wo kya hai..jane de

1 bar 2 bar 3 bar bolega..
Fir wahi gana sun sala chain se solega !!

Many many obstacle comes in your life
Bhut don't ever loose your pride
Let the people say what they say
And do what you like !
