

Never got this feeling,  
Can you hear me calling  
I love you  
Standing beside you,  
Lot so much to give you  
I love you

Saanson mein hai  
Sansani si kyun saath tere  
Lagey yeh sheher pyaara  
Kyun saath tere  
Aisa lagta mere hi hain jazbaat tere  
Lagey yeh sheher pyaara  
Kyun saath tere

Jab main tumhare saath hun  
Jaldi se chalne lage samaa  
Jab main tumhare saath hun  
Khamoshi bolo baane kyun zubaan  
Jannat sa lagne lagey jahaan  
Sajde karta kyun aasmaan  
Jab main tumhare saath hun  
Saath hun haan main saath hun

Never got this feeling,  
Can you hear me calling  
Bharatlyrics.com  
I love you, tere saath hun  
Should have seen it coming,  
Look it comes from nothing  
I love you

Tere saath hun, tere saath hun

Ho jitne pal tere saath beete  
Utne hi pal aisa lagey  
Jaise khushiyan bik rahi ho  
Muft har jagha  
Saanson mein geeton ka ho gumaan  
Jab main tumhare  
Jab main tumhare saath hun

Jab main tumhare saath hun  
Jaldi se chalne lagey samaa  
Jab main tumhare saath hun  
Khamoshi bolo baane kyun zubaan  
Jannat sa lagne lagey jahaan  
Sajde karta kyun aasmaan  
Jab main tumhare saath hun  
Saath hun haan main saath hun

Tere saath hun

Lagti hai woh raah nayi  
Jis pe dil sau baar chala  
Jaane kyun lagey kam mujhe phir  
Har ik faasla  
Shokh si khwaish bhi ho jawaan  
Jab main tumhare  
Jab main tumhare saath hun

Jab main tumhare saath hun  
Jaldi se chalne lagey samaa  
Jab main tumhare saath hun  
Khamoshi bolo baane kyun zubaan  
Jannat sa lagne lagey jahaan  
Sajde karta kyun aasmaan  
Jab main tumhare saath hun  
Saath hun haan main saath hun

Never got this feeling,  
Can you hear me calling  
I love you i love you  
Should have seen it coming,  
Look it comes from nothing  
I love you, tere saath hun.
