

Jab shame haseen
Jab shame haseen
Jalti hai kahi
Jab shame haseen
Jalti hai kahi
Parwane wahi aajate hai
Jab shame haseen
Jalti hai kahi
Parwane wahi aajate hai
Jab shame haseen

Hum jaye kaha hum jaye kaha
Jate hai jaha hum jaye kaha
Jate hai jaha
Deewane wahi aajate hai
Hum jaye kaha
Jate hai jaha
Deewane wahi aajate hai
Hum jaye kaha

Parvano me ek dhoom machi
Jab shama ne aanchal sar kaya
Parvano me ek dhoom machi
Jab shama ne aanchal sar kaya
Tere ishk ki duniya jag uti
Fir husn ka tufan lahraya
Fir husn ka tufan lahraya
Hum jaye jaha chehre ye hasin
Hum jaye jaha chehre ye hasin
Tadpane waha aajate
Bharatlyrics.com
Hum jaye jaha chehre ye hasin
Tadpane waha aajate
Jab shame haseen

Hum shama hai tum parawane ho
Jalna hi tumhara kam jalo
Hum husn pe apne itraye
Tum isme subh sham jalo
Tum isme subh sham jalo

Hum lakh chhupe ye divane
Hum lakh chhupe ye divane
Jal jane wahi aajate hai
Hum lakh chhupe ye deewane
Jal jane wahi aajate hai
Hum jaye kaha

Jab jab shame haseen jalti hai kahi
Parvane wahi aa jate hai
Jab jab shame haseen jalti hai kahi
Parvane wahi aa jate hai
Jab shame haseen
Hum jaye kaha jate hai
Divane waha aajate hai
Hum jaye kaha jate hai
Divane waha aajate hai
Hum jaye kaha

Samjo na ye tum
Hum ghabrake is mahfil se tal janyege
Samjo na ye tum
Hum ghabrake is mahfil se tal janyege
Aye shama tere jalwo ki kasam
Parvane yahi jal janyege
Parvane yahi jal janyege
Dil bar ho jaha marne ke liye
Dil bar ho jaha marne ke liye
Mastane wahi aajate hai
Dil bar ho jaha marne ke liye
Mastane wahi aajate hai
Jab shame haseen

Hum ne to najar se jan liya
Pagame mohhabat kya hoga
Hum ne to najar se jan liya
Pagame mohhabat kya hoga
Kya tumne ye bhi socha
Anjame mohhabat kya hoga
Anjame mohhabat kya hoga
Hume jane jaha ye hale dil

Hum jaye jaha deewane dil
Batlane wahi aajate hai
Hum jaye jaha divane dil
Batlane wahi aajate hai

Jab shame haseen parwane
Wahi aajate hai
Hum jayege kaha jayege jaha
Deewane wahi aajate hai
Jab shame haseen parwane
Wahi aajate hai
Hum jayege kaha jayege jaha
Deewane wahi aajate hai.
