

Jab yaad kiya hum
Aa bhi gaye hum aa bhi aaye
Jab yaad kiya hum
Aa bhi gaye hum aa bhi aaye
Tum jhidkiya humko
Dene lage ha dene lage
Ham dil mein pashema hone lage
Ha hone lage ha hone lage
In raaz ko duniya kya jane
Takdir ne apna kam kiya
In raz ko duniya kya jane
Takdir ne apna kam kiya
Jab yaad kiya ham aa bhi gaye
Hum aa bhi aaye

Kuch soch ke hum khud choor bane
Lab band kiye khamosh rahe
Kuch soch ke hum khud choor bane
Lab band kiye khamosh rahe
Ha baat tumhari izzat ka
Is raaz ko duniya kya jane
Takdir ne apna kam kiya
Jab yaad kiya hum aa bhi gaye

Hum aa bhi gaye

Ab ek tamanna baki hai
Ab ek tamanna baki hai
Bas dil mein tumhari yaad rahe
Bas dil mein tumhari yaad rahe
Ye basti to aabad rahe
Ye basti to aabad rahe
Is raaz ko duniya kya jane
Is raaz ko duniya kya jane
Takdir ne apna kam kiya
Jab yaad kiya hum aa bhi gaye
Hum aa bhi gaye hum aa bhi gaye.
