

All eyes on you sweet gambler  
You live ice on the table big player  
Your lies full of game sweet sinner  
You bet your heart like a winner

One, two three of the kind  
Get it streight flush the....  
Burn it down baby, burn it down  
Taste the rush you all in jack...  
Jackpot jeetna, jackpot jeetna  
Jackpot jeetna, jackpot jeetna

Jaane kya hai hona, kya baat hai  
Iss raat ke pehlu mein ek aur raat hai  
Kashmakash hai thodi har daanv mein  
Kyun hai sawaar do naav mein

One, two three of the kind  
Get it streight flush the....  
Burn it down baby, burn it down  
Taste the rush you all in jack...  
Jackpot jeetna, jackpot jeetna  
Jackpot jeetna, jackpot jeetna

Nazrein hain tum par o juaari  
Naseeb mein likhi hai jo baazi  
Yahaan pockets full of gold and paper  
Jeeto shaan se o sikander

One, two three of the kind  
Get it streight flush the ....  
Burn it down baby, burn it down  
Taste the rush you all in jack...
