Haye ni bada chir hoye mile hi ni aapan
Tere baajhon mainu main vi kalla kalla jaapan
Paa sabran da paani ishq da boota paalea si
Fullan vaangu mahekna ni khile hi ni aapan

Ral khilange te vakhra hi dhang hougā ni

Hasa bulliyan de tere ang-sang hougā ni
Aapan jado vi milange jado vi milange
Gallan gorān gulabi jeha rang hougā ni
Aapan jado vi milange jado vi milange

Ni jado milange tu thoda ghabraengi ni pakka
Minna jeha muskaake sharmaengi ni pakka
Jdo main bulawan odo aayengi ni pakka
Ni tu aa gayi fer mudh ke na jaayengi ni pakka

Dil tu vataja tera-mera bhullke
Na bhulli maamle dila de maamle dilan de
Raat chaanani te taareya di chhaa hougā ni
Aapan jado vi milange jado vi milange
Tere hath coffee mere hath cha hougā ni
