

Meharbaan huyi imtehaan ki ye ghadi
Mil gayi mujh asmaan ye pari

Sach hai ya sapna dekhoon
Aankhon ko mal ke
Khushiyon ke aanshu chhalke chhalke
Mar marke jeena mera
Jee jeeke marna
Din bhoolein kaisa kal ke kal ke

Jadoo rawan rawan dekho yahan wahan
Ujli zulfon mein hum hai jawan jawan
Jadoo rawan rawan dekho yahan wahan
Ujli zulfon mein hum hai jawan jawan

Ek nayi hai subha
Naya khwaab hai aankhon mein
Tu hai mere saath magar
Tanha ehssaason mein
Koi khushboo tu lage
Yaadon ke gulon mein
Koi jugnu tu lage
Kaali raaton mein
Jaadu rawaan rawaan dekho yahan wahan
Ujli zulfon mein hum hai jawan jawan
Ik hum dheere dheere phir se hone lage
Sapne aankhon mein hum
Phir se bone lage

Kisko pata jo tha judaa
Woh milega chaand mera
Peeche se aake kabhi
Pakdega haath mera
Na rahega ab se koi shikwa aankhon ko
Tu mila hai rabb se
Meri tooti dua ko
