

Jaadu hai tera hi jaadu  
Jo mere dil pe chhane laga  
Jaadu hai tera hi jaadu  
Jo mere dil pe chhane laga  
Deewaane mere yeh  
Toh bata kya kiya tune  
Mitha sa dard hone laga  
Yeh kya huwa pehle  
Na aisa hota tha main hun  
Kahaan main jaanu na  
Yeh kya huwa pehle  
Na aisa hota tha main hun  
Kahaan main jaanu na  
Koi mujhe itana bata de  
Ghar ka mere mujhko pata de  
Jaadu hai tera hi jaadu  
Jo mere dil pe chhane laga  
Deewaane mere yeh  
Toh bata kya kiya tune  
Mitha sa dard hone laga  
Yeh kya huwa pehle  
Na aisa hota tha main hun  
Kahaan main jaanu na  
Yeh kya huwa pehle  
Na aisa hota tha main hun  
Kahaan main jaanu na  
Koi mujhe itana bata de  
Ghar ka mere mujhko pata de

BHARAT  
lyrics

Maine toh yeh jaana na  
Hota hai kya intzaar  
Mera dil kyun maane na  
Mujhko toh ho gaya hai pyaar  
Main chain se pehle raaton  
Ko soti thi tune meri nindein luti  
Main chain se pehle raaton  
Ko soti thi tune meri nindein luti  
Yeh rog kya tune lagaaya  
Deewaanapan kaisa jagaaya  
Jaadu hai tera hi jaadu jo

Mere dil pe chhane laga  
O jaana meri yeh  
Toh bata kya kiya tune  
Mitha sa dard hone laga  
Yeh kya huwa pehle  
Na aisa hota tha main hun  
Kahaan main jaanu na  
Yeh kya huwa pehle  
Na aisa hota tha main hun  
Kahaan main jaanu na  
Koi mujhe itana bata de  
Ghar ka mere mujhko pata de

Jaaneman o jaaneja  
Kya hai iraada bata  
Chhune de in honton  
Ko honton se mere zara  
Kya khub hai main bhi  
Bharatlyrics.com  
Kaisa deewaana tha kyun  
Ishq se anjaana tha  
Kya khub hai main bhi  
Kaisa deewaana tha kyun  
Ishq se anjaana tha  
Paagal mujhe tune banaaya  
Chaahat hai kya mujhko bataaya  
Jaadu hai tera hi jaadu jo  
Mere dil pe chhane laga  
Jaadu hai tera hi jaadu jo  
Mere dil pe chhane laga  
Deewaane mere yeh  
Toh bata kya kiya tune  
Mitha sa dard hone laga  
Yeh kya huwa pehle  
Na aisa hota tha main hun  
Kahaan main jaanu na  
Yeh kya huwa pehle  
Na aisa hota tha main hun  
Kahaan main jaanu na  
Koi mujhe itana bata de

BHARAT  
lyrics

Ghar ka mere mujhko pata de.
