

O...

Na wo akhiyan ruhani kahin
Na wo chehra noorani kahin
Kahin dil wali baatein bhi na
Na wo sajri jawani kahin

Jag ghoomeya thaare jaisa na koi
Jag ghoomeya thaare jaisa na koi

Na toh rumaani kahin
Na toh khusboo suhani kahin
Na woh rangli adayein dekhin
Na woh pyari si nadani kahin
Jaisi tu hai waisi rehna

Jag ghumeya thaare jaisa na koi
Jag ghumeya thaare jaisa na koi
Jag ghumeya thaare jaisa na koi
Jag ghumeya thaare jaisa na koi

Baarishon ke mausam mein bheegi hariyali tu
Sardiyon mein gaalon pe jo aati hai wo lali tu

Raaton ka sukoon bhi hai
Subah ki azaan hai
Chaahaton ki chaadaron mein
Maine hai sambhali tu

Kahin agg jaisi jalti hai
Bane barkha ka pani kahin
Kabhi mann jaana chupke se
Yun hi apni chalani kahin
Jaisi tu hai waisi rehna

Jag ghoomeya thaare jaisa na koi
Ag ghoomeya thaare jaisa na koi

Apne naseebon mein yaa
Honsle ki baaton mein
Sukhon aur dukhon wali

Saari saugaton mein

Sang tujhe rakhna hai

Sang tujhe rakhna hai

Tune sang rehna

Meri duniya mein bhi

Mere jazbaaton mein

Teri milti nishani kahin

Jo hai sabko dikhani kahin

Tu toh jaanti hai marke bhi

Mujhe aati hai nibhani kahin

Woh hi karna hai jo hai kehna

Jag ghoomeya thaare jaisa na koi

Jag ghoomeya thaare jaisa na koi

Jag ghoomeya thaare jaisa na koi

Jag ghoomeya thaare jaisa na koi.
