

Jag mein preet ka naam bura hai
Bad ka badnam bura hai
Hum aankhe milana na chode
Koi lakh kahe ye kaam bura hai
Naam bura hai ha ha naam bura hai
Naam bura hai ha ha naam bura hai

Lakh dil ko saaz bataye saaz bataye
Jab sone wale so jaye
Haye so jaye
Hum dard liye is sine mein
Karwat badle daye baye daye baye

Haye maza kya aata hai
Kuch humse kaha na jata hai
Jag mein dil ka naam bura hai
Ha ha naam bura hai
Naam bura hai ha ha naam bura hai

Tune to apni kah chhodi
Ha kah chodi
Aur mujhko rat mein
Neend nigodi neend nigodi
Aane lagi hai thodi thodi
Phir dil mein utha hai dhak dhak
Rone wale ro mat
Jag rahe hai chand sitare
Jag rahe hai majnu sare
Ulfat mein aaram bura hai
Jag mein preet ka naam bura hai
Ho naam bura ha ha naam bura hai
Jag mein preet ka naam bura hai
Ho naam bura ha ha naam bura hai.
