

Jagadale Raani Song Lyrics

Eppudu nuvu thaleththuko
Ninu minchina thopevadikkada
Vadiga kalabadipo
Bhayapadithe bathakavu ekkada

Thidithe nuvu padoddhuro
Thelcheseey ekkadikakkada
Kodithe yedurellipo
Din thassadiyya

Ney cheppina lakshanaalu
Choopinchavu pusthakalu
Naa vembadi neruga
Vasthe choopistha

Nenokadiki longadaalu

Jagadaale raani raani
Choosukundham
Chaavo revo thelipodhile
Kerataala thoti poti denikanta
Lekka pathram rasukodhule

Eppudu nuvu thaleththuko
Ninu minchina thopevadikkada
Vadiga kalabadipo
Bhayapadithe bathakavu ekkada

Thidithe nuvu padoddhuro
Thelcheseey ekkadikakkada
Kodithe yedurellipo
Evadaithe enti khaatara

Lokamepudu dega kallatho
Choosthu untadi

Nuvvavvakku kodi
Migaladhu body

Anni velala saanthi manthramu
Valle veyaku kattestharu paadi

Aa sangathi telusu naaku
Kaabatte pogaru naaku
Aa maathram undadam
Thappem kaadhanta

Mind unnodevvadaina
Naalaage bathukuthaadu
Ney chepthe maanake
Cheyyethi mokkuthaadu

Eppudu nuvu thaleththuko
Ninu minchina thopevadikkada
Vadiga kalabadipo
Bhayapadithe bathakavu ekkada

Thidithe nuvu padoddhuro
Thelchese ekkadikakkada
Kodithe yedurellipo
Din thassadiyya
