

Jago he bajrangbali
Ab soch hi soch me din na gujaro
Kaun nahi janat hai jag me
Kapi sankat mochan naam tiharo
Kaun nahi janat hai jag me
Kapi sankat mochan naam tiharo

Tumsa koi duniya me na duja
Vir kare sab teri hi puja
Tumsa koi duniya me na duja
Vir kare sab teri hi puja
Hum to na bhule mahima tumhari
Tumhi nayi nidhi shakti vicharo
Kaun nahi janat hai jag me
Kapi sankat mochan naam tiharo
Kaun nahi janat hai jag me
Kapi sankat mochan naam tiharo

Yaad karo jab janam liya tha
Yaad karo jab janam liya tha
Suraj mukh me band kiya tha
Yaad karo jab janam liya tha
Suraj mukh me band kiya tha
Hahakar jag me macha tha
Chhaya tha ambar me andhiyaro
Kaun nahi janat hai jag me
Kapi sankat mochan naam tiharo
Kaun nahi janat hai jag me
Kapi sankat mochan naam tiharo

Vir khadi sar ivanar sena
Gagar koi bhi langh sake na
Vir khadi sar ivanar sena
Gagar koi bhi langh sake na
Ek bharosa tumhara hi maruti
Naam na ho badnam hamaro
Kaun nahi janat hai jag me
Kapi sankat mochan naam tiharo
Kaun nahi janat hai jag me
Kapi sankat mochan naam tiharo

Dekh rahe sab rah tumhari
Dekh rahe sab rah tumhari
Der karo mat vyomvihari

Dekh rahe sab rah tumhari
Der karo mat vyomvihari
Der karo mat vyomvihari
Ek chhalang lagao mahabali
Jakar ravan ko lalkaro
Ek chhalang lagao mahabali
Jakar ravan ko lalkaro
