

Jago jago jagte raho he
Jago jago jagte raho
Jago jago jagte raho he
Jago jago jagte raho
Jago jago jagte raho he
Jago jago jagte raho

Raaton ka hamlaa hai
Jago jago jagte raho he
Jago jago jagte raho
Jago jago jagte raho he
Jago jago jagte raho
Makdee ke jaale hai
Andhere paale hai
Chand logon ne
Jago jago jagte raho he
Jago jago jagte raho
Jago jago jagte raho he
Jago jago jagte raho

Aag ke daanto mein imaan fanse hai
Aag ke daanto mein insan fanse hai
Aag ke daanto mein imaan fanse hai
Aag ke daanto mein insan fanse hai
Aag jab bhonkati hai,
Darr lagta hai
Aadami jhonkati hai
Darr lagta hai

Insaan ki naslon ko pairo mein ronda hai
Chand logo ne
Jago jago jagte raho he
Jago jago jagte raho
Jago jago jagte raho he
Jago jago jagte raho

Phir giri gardan sar katne lage hai
Log batate hai khuda batane lage hai
Phir giri gardan sar katne lage hai
Log batate hai khuda batane lage hai

Naam jo pucche koi
Darr lagata hai
Abb kise pooje koi
Darr lagata hai

Kitani baar mujhe he shooli pe taanga hai,
Chand logo ne
Jago jago jagte raho he
Jago jago jagte raho
Jago jago jagte raho he
Jago jago jagte raho
