

Jab raaton mein tujhe neend na aaye
Aur jab logon mein tera dil ghabraaye
To tum khud hi se poocho
Kyun mere raste hain uljhe
Tum un per dekho to chal ke
Jago utho dekho
Sub hain tumhaare
Sub hi pukaarein
Jago utho dekho
Samjho yeh ishaare

Din hain tumhaare

Jab melon se tu uktaa jaye
Aur jab khamoshi shor machaaye
To tum khud hi se poocho
Kya ho tum khud hi socho
Haaton se duniya utha do
Jago utho dekho
Sub hain tumhaare
Sub hi pukaarein
Jago utho dekho
Samjho yeh ishaare
Din hain tumhaare

Ek taara aasman per
Roshan roshan roshan
Tum taare ho zameen per
Roshan roshan roshan
Jago utho dekho
Sub hain tumhaare
Sub hi pukaarein
Jago utho dekho
Samjho yeh ishaare
Din hain tumhaare

Jago utho dekho
Sub hain tumhaare
Sub hi pukaarein
Jago utho dekho
