

Jago jago jago

Jag ujjara chhaye  
Mann ka andhera jaye  
Kiranon ki rani gaaye  
Jago hey mere  
Mann mohan pyare  
Jago mohan pyare jago  
Jago mohan pyare jago  
Navayug chume nain tihare  
Jaago jaago mohan pyare

Jago re jago re jaag kaliyan jagi  
Nagar nagar sab galiyan jagi  
Jago re jaago re jago re  
Jago re jaago re jag jag

Bheegi bheegi ankhiyon se muskaye  
Yeh nayi bhor tohe ang lagaye  
Bheegi bheegi ankhiyon se muskaye  
Yeh nayi bhor tohe ang lagaye  
Bahein failaao dukhiyare  
Jago mohan pyare jago  
Jago mohan pyare jago  
Navayug chume nain tihare  
Jago jago mohan pyare

Jisne mann ka deep jalaya  
Duniya ko usne hi ujala paya  
Jisne mann ka deep jalaya  
Duniya ko usne hi ujala paya  
Mat rehna ankhiyon ke sahare  
Jago mohan pyare jago  
Jago mohan pyare jago  
Navayug chume nain tihare  
Jago jago mohan pyare

Kiran pari gagari chhalkaye  
Jyot ka pyasa pyas bujhaye  
Kiran pari gagari chhalkaye  
Jyot ka pyasa pyas bujhaye

Phool bane mann ke angare  
Jago mohan pyare jago  
Jago mohan pyare jago  
Navayug chume nain tihare  
Jago jaago mohan pyare
