

Jaha kahi deepak jalata hai  
Waha patanga bhi aata hai  
Preet ki reet yahi hai murakh  
Too kaahe pachhataata hai  
Parwaane ki naadaani par  
Duniya hansati hai toh hanse  
Pyaar ki mithi aag mein  
Premi hansate  
Hansate jal jaata hai

Jo ik baar kah do ke  
Tum ho hamaare  
Toh badale yeh  
Duniya badale najaare  
Jo ik bar kah do

Aakaash mein  
Aakaash mein  
Chaand taare hanse  
Hamare hi dil  
Mein andhera base  
Nigaaho ki galiyo  
Mein chori se aake  
Jo tum muskura do  
Toh khil jaaye taare  
Jo ik bar kah do

Suhaani hai yeh  
Suhaani hai yeh  
Zindagi pyaar se  
Hai murakh jo  
Pachhataaye dil haar ke  
Yeh baji hai duniya  
Mein sabse niraali  
Jo haare so jite jo  
Jite woh haare  
Jo ik bar kah do.
