

Jai bolo
Jai bolo bolo bholenath ki bolo
Jai bolo bolo bholenath ki
Kadi charch tambaku chhodo
Todo pyale zam
Pi ja shivshankar ki buti
Lekar uska naam bolo
Jai bolo bolo bholenath ki
Nahi re
Jai bolo tere mere sath ki
Hoke masti me chur
Leke iska sharur
Aaj bhige jiya se sab kholo, bolo
Jai bolo
Jai bolo bolo bholenath ki
Jai bolo bolo bholenath ki

Khol de apne man ke dariche
Khol de apne man ke dariche
Kutiya banau teri palko ke niche
Khol de apne man ke dariche
Pahan ke pahle bhagme vastar
Baith mere darwaje upar
Mera naam jap tu jap tu
Jap tu jap tu
Phir gangajali se muh dho lo
Arei gangajali nahi bhangjali
Gangajal bol
Nahi mai to gangajali hi kahungi
Phir gangajali se muh dho lo
Bolo jai bolo
Jai bolo bolo bholenath ki
Jai bolo bolo bholenath ki

Mai nagan jani pahchani
Mai nagan jani pahchani

Das lu to mange na pani
Mai nagan jani pahchani
Tu nagan hai mai hu sapera

Bin bajakar dalu ghera
Zahar chus lunga chus
Lunga chus lunga
Tan man me pyar
Ka rang gholo
Bolo jai bolo
Jai bolo bolo bholenath ki
Jai bolo tere mere sath ki
Jai bolo bolo bholenath ki
Jai bolo bolo bholenath ki.
