Jai hey, jai hey

Jhukta hai sirf do ke aage sar mera
Pehla to hai tiranga, fauji doosra
Har dushman hai tujhse haara
Yeh vaada hai ab to yaara
Saara jahan kahega

Jai he, jai he
Jai he, jai he, jai he

Bujhe nahi jo hawaon mein
Hai woh noor tu
Sada sada se watan watan ka guroor tu
Tere hi dum se kaayam hai aazadiyan
Hai bandigi ke kaabil teri vardiyen

Tu jaan se bhi zyada pyara
Yeh vaada hai ab to yaara
Saara jahan kahega

Jai he, jai he
Jai he, jai he, jai he.
