

Yeh khudi woh kami mere paas kyun na khili
O sanam woh lagan madhosh tayra badan
Sitaaron ki yeh rath mein aaj saath hain
Milan say bheegay yeh haath hain

Aankhon mein kaisa yeh noor hai
Badan mein masti zuroor hai
Aao naa mere paas
Mere dil mein jhaanko zara
Tu hi tu meri jaan
In saanson mein tera naam
Sitaaron ki yeh rath mein aaj saath hain
Badan mein masti zuroor hai

Jal jaayen bhi to kya
Tujhay tarpaain gay na sada
Jaain gay sada
Na hongay tujh say juda
Kabhi ho gi na ab intiha intiha
Unmol hai yay raza
Kaisay sumjhaain is to bata

Har umang ka janam
In saason ki ik agan
Khuaahishain chaahatain
Hain kal kay jhootay samay
Sitaaron ki yeh rath mein aaj saath hain
Milan say bheegay yeh haath hain

Aankhon mein kaisaa yeh noor hai
Badan mein masti zuroor hai
Jal jaayen bhi to kya
Tujhay tarpaain gay na sada
Jaain gay sada
Na hongay tujh say juda
Kabhi ho gi na ab intiha intiha
Unmol hai yay raza
Kaisay sumjhaain is to bata

Jal jaayen bhi to kya
Tujhay tarpaain gay na sada

Jaain gay sada
Na hongay tujh say juda
Kabhi ho gi na ab intiha intiha
Unmol hai yay raza
Kaisay sumjhaain is to bata

Aain sataain jaain gay naa
Aain jal jaayen rokain gay naa
Aain sataain jaain gay naa
Aain jal jaayen rokain gay naa
Jal jaayen bhi to kya
Tujhay tarpain gay na sada
