

Janam mere jaanam, jaanam mere jaanam
Khoyi khoyi aankhon mein sajne lage hain
Sapne tumhaare sanam
Khoyi khoyi aankhon mein sajne lage hain
Sapne tumhaare sanam

Janam meri jaanam, jaanam meri jaanam
Ek pal jeeyenge na hum tum bichhadke
Aao yeh khaaye kasam
Ek pal jeeyenge na hum tum bichhadke
Aao yeh khaaye kasam

Janam mere jaanam, jaanam mere jaanam

Dil hai mera, lekin hai dhadkan teri
Yeh hai meri chaahat ki jaadugari
Sach kahoon raaton ko neend nahin aati hai
Meri beqaraari mujhko bada tadpaati hai
Dil ki panaahon mein, meri nigaahon mein
Bas tu hi tu hai balam
Janam meri jaanam, jaanam meri jaanam
Janam mere jaanam, jaanam mere jaanam

Aah aah aah aah, aah aah aah aah

Sadiyon se hai mera tumhaara milan
Tu hai sooraj, main hoon tumhaari kiran
Phoolon se khushboo kaise judaa hogi
Nadiya se dhaara kaise khafaa hogi
Mil na sakege agar is janam mein to
Lenge do baara janam

Aao yeh khaaye kasam

Janam mere jaanam, jaanam meri jaanam

Aah ha, aah ha ha ha, aah ha, aah ha ha ha.
