

Haan aa haan haan haan haan, haan haan

Bheegi huwi koyi shaam woh  
Mehka huwa koyi naam woh  
Bin baat hi hoti hai nilaam woh  
Mash-hoor hai phir bhi badnaam woh  
Jaane huwa hai aaj kya hamein na ham  
Jaane kyun ham ko yaad Aaye woh  
Ab is tarha usko sochta hoon  
Guzre huwe woh pal rokta hoon

Woh pal kahin kho gaye hain jo apne  
Aur saath bhi ho gaye hain jo sapne  
Jaane huwa hai aaj kya hamein na ham  
Jaane kyun ham ko yaad? Aaye woh

Woh roshni woh aag hai

Ya phir koyi charaag hai  
Jisse dheere dheere hai jalna  
Jisse is tarha hi hai chalna

Kissi mod pe woh aaj bhi qandeel si jalegi  
Shaher ki dhoop si bewaqt hi dhhalegi

Kyun hamko yaad aaye woh

Bheegi huwi koyi shaam woh  
Mehka huwa koyi naam woh  
Bin baat hi hoti hai nilaam woh  
Mash-hoor hai phir bhi badnaam woh

Jaane huwa hai aaj kya hamein na ham  
Jaane

Kyun ham ko yaad aaye woh...
