

Jang insaniyat ki dusman hai  
Jang hi dusme tamakhum hai  
Bharatlyrics.com  
Jang hai aag jo jalati hai  
Jung hai maut jo mita ti hai  
Mit gaye ru baru jawan the jo  
Sahibe no baato nishan the jo  
The jo khud jahan mein mashur  
Khak me mil gaya sab unka garur  
Apna rustam na baki hai  
Haye ye jung naam baki hai  
Jung nam baki hai

Hum wo sukun jisne sawari hai jindagi  
Pathro ka dil taras nikhari hai jindagi  
Tarikiyo mein nanha sitara chamak raha  
Masum aarzu ka sahara chamak raha  
Ummid na ummid se lachar ho gaya  
Jinda dili hi jindagi ka bhar ho gayi

Dil liye paya takht hai saho ke sah ka  
Dil liye paya takht hai saho ke sah ka  
Dil hi to takhsh tamshak hai  
Dusman nigah ka  
Dil hi to takhsh tamshak hai  
Dusman nigah ka  
Tamshak hai dusman nigah ka.
