

If it weren't for her i wouldn't be here,
 I would've not known what its like to breathe air,
 She taught me to always be brave,
 But the thought of losing her is the only time i be scared,
 A mother's love is beyond unconditional,
 Only in their hearts our sins are forgivable,
 Her strength is what made me tougher,
 It kills me inside knowing she had to suffer,

Meri maa ne bade dukh sahe,
 Kadi himmat na haare fir vi oh chaldi rahe,
 Lokhan de gharaan ch jaake bartan tohve,
 Taake mainu kisi cheez di kami vi na hove,

Teri kurbaaniyan da kiven mul chukaavan,
 Jadon vi vekhan tainu muskurande hi main paavan,
 Eh hi dua meri jo har vele manga,
 Leva mein tera naam rabb taun vi pehlan,

Saade saare dukh apnave,
 Bhuke rehke sanu khilave,
 Jadon vi saanu lage asi haare,
 Honsle deke aage badhaave,

I was 23 i was diagnosed with tb,

It was hard for my mum just to see me,
Laying in the hospital bed for 6 months,
It really made me change the way that i see things,

She recited a verse from the quran to me and said,
Their aint nothing that would bring harm to me,
Her yakeen is what made me believe again,
Now i'm free from that pain i can breathe again,

Tu hi mera jahaan saara,
Tere utte har khushi nu mein vaar jaava,
Duniya de saare sukh tere kadmaan ch paava,
Taan tainu kuch hon taun pehlan mein marjaava,

Mehnat kara tainu main kuch ban ke dikhavan,
Saareya de samne teri izzat nu bharavaan,
Jadon vi leve koi naam mera,
Te kahengi tu fakr naal ke main putt tera,

Saade saare dukh apnave,
Bhuke rehke sanu khilave,
Jadon vi saanu lage asi haare,
Honsle deke aage badhaave,
