

Jatajoot Lyrics

Pashunam patim paapnaasham paresham
 Gajendrasya krttim vasanam varenyam
 Jaṭajootmadhye sphuradgangavarim
 Mahadevamekam smarami smararim

Hume koi param pad nahi chahiye
 Hamare andar koi aisi akansha nahi
 Ki hum shiv ko chor kar koi aur param pad paayein

Shivakaant shambho sasankardhamaule
 Maheshaan shoolin jatajootdharin
 Tvameko jagadvyapako vishwaroop
 Prasida prasida prabhu poornaroop

Shiv sheesh dhaarani ke jaisa khada praani
 Stuti hetu teri roz goonje meri vaani
 Gaate hue stuti behta aankhon se jo paani
 Saaf hi batata saansein bhole ki deewani

Na bas mere krodh lobh na hi kaam vaasna
 Swyam hi main bhakta hoon kya auron ko doon raasta
 Pair mere paapi prabhu ruke tere dwar pe
 Kshma karo paap aur bacha lo meri aastha

Bolo nayanar jaise kaise dedun nain
 Kaise kaatun sar hogi peeda na sehan
 Kayar hai ye daas baatein badi karna jaane
 Kaise ban sati karun kaya bhi dahan

Maangta hoon mrityu na kshma prabhu khud ko
 Taaro mere praan taaki aatma ye shudh ho
 Aankhein kari band maine ye lo mahadev
 Utha ke trishool kaato paapi mere mund ko

Shambo mahesha karunamaya shoolapne
 Gauripatye pashupatey pashupasanashin
 Kashipatey karunaya jagadetadekastvam
 Hansi pasi vidadhasi mahesvarosi

Wo shiva hai samjh rahe hai na

Na bhumir na chapo na vahnir na vayu
 Na chakash aaste na tandra na nidra
 Na grishmo na shito na desho na vesho
 Na yashyastu murtistrimurti tamide

Deke meri saansein hai baikunth mein hi jaagna
 Jante ho bhole kali kaal aaya raas na
 Kaya leke aaya maana kaale is kaal mein

 Treta waale kaal mein par chor aaya aatma

Kar do aazaad prabhu praan mere maang lo
 Chor jaan leke hari har naam ko
 Suno jatajoot bas daas ki ye yachika
 Haath mera thaam leke chalo hari dhaam ko

Bekali ye daas kabhi aake dekh nath
 Raat bhar jaag ke na yun hi likhe lekh nath
 Moksh ke saman hoga kshan wo to prabhu
 Aapko aur hari ko jo dekh loonga ek sath

Aap mein samaana prabhu saaron ko hai ant mein
 Aap hi mitaana prabhu brham waali dhundh ye
 Mrityu ko paa ke bhi main rukunga na prabhu
 Aa raha bhole leke kata hua mund mein

Shivakaant shambho sasankardhamaule
