

Ho teri sun ke awaaz khich seene vich paindi aa,
Bukh akhiyaan nu tereyan deedaran wali rehndi aa,
Ho teri sun ke awaaz khich seene vich paindi aa,
Bukh akhiyaan nu tereyan deedaran wali rehndi aa,

Teriyan hi gehriyaan da mull utaar ke,
Teriyan hi gehriyaan da mull utaar ke,
Sahukaar ji jaati da taan diwala ho gaya,

Main tainu takkan bahane rahi kothe chad di,
Ve dudh wargi jatti da rang kala ho gaya,
Takkan bahane rahi kothe chad di.
Ve dudh wargi jatti da rang kala ho gaya,

Lag lag ke banereyaan naal baal main sukaundi ve,
Ise gall taun bebe ghuri mainu paundi ve,
Lag lag ke banereyaan naal baal main sukaundi ve,
Ise gall taun bebe ghuri mainu paundi ve,

Raatan wali neend tere pichhe udd gayi,
Raatan wali neend tere pichhe udd gayi,
Haal bura mere dil wala ho gaya,

Main tainu takkan bahane rahi kothe chad di,
Ve dudh wargi jatti da rang kala ho gaya,
Takkan bahane rahi kothe chad di.
Ve doodh wargi jatti da rang kala ho gaya,

Ho sadkaan sadkaan sadkaan,
Sadkaan sadkaan sadkaan,
Ke kothe utte main chad di,
Main chad di..

Main chad di,
Tera bullet gali ch mare badkaan,
Ve kothe utte main chad di,

Mere dil wala jod tere naal judiya,
Ve nain udar hi rehde tu jede paase mudeya,
Mere dil wala jod tere naal judiya,
Ve nain udar hi rehde tu jede paase mudeya,

Meri bebe nu tu yaaran vich sass dasda ae,
Meri bebe nu tu yaaran vich sass dasda ae,
Aakhe veer tera wadda mera saala ho gaya,

Main tainu takkan bahane rahi kothe chad di,
Ve dudh wargi jatti da rang..

Takkan bahane rahi kothe chad di,
Ve dudh wargi jatti da rang kala ho gaya,

Mere pichhe kyun maninder tu vair paalda ein,
Ve munda labna ni menu kitton tere naal da,
Mere pichhe kyun maninder tu vair paalda ein,
Ve munda labna ni menu kitton tere naal da,

Taane seene naal laake mukh karde gulabi,
Seene naal laake mukh karde gulabi,
Jo tereyaan vichodiyan vich kala ho gya,

Main tainu takkan bahane rahi kothe chad di,
Ve dudh wargi jatti da rang kala ho gaya,
Takkan bahane rahi kothe chad di.
Ve doodh wargi jatti da rang kala ho gaya.
