

Jawaan hai jahaan jhum uthi har nazar
Main hun ke hai zindagi zahar
Main hun ke hai zindagi zahar

Nazar dhundhati hai na jaane kise
Nazar dhundhati hai na jaane kise
Ye aramaan bulaate hai jaane kise
Ye aramaan bulaate hai jaane kise
Aa

Hui muddate suna suna hai ghar
Main hun ke hai zindagi zahar
Main hun ke hai zindagi zahar

Ho haay tere bewafai
Ho haay tere bewafai
Mujhe maut bhi na aai
Mujhe maut bhi na aai
Meri har dua har sada be asar
Main hun ke hai zindagi zahar
Main hun ke hai zindagi zahar

Chalayenge aise zamaane ko ham
Kiye jisane dil pe ye laakho sitam
Kiye jisane dil pe ye laakho sitam
Aankh se jitane aansu tapake
Ban gaye aaj sitaare
