Nazar ladte ladte agar muskuraye
Khyalo ki duniya mein unko basakar
Khyalo ki duniya mein unko basakar
Agar hum unse koi gardan
Jhukaye gardan jhukaye
To hum bhi mohabbat ki ye iltiza hai
To hum bhi mohabbat ki ye iltiza hai
Jawani agar

Agar chupke chupke aansoo bahaye
Agar baat dil ki dil mein chupaye
Agar chupke chupke aansoo bahaye
Agar baat dil ki dil mein chupaye
Liye chand pahni huyi har rato ko
Liye chand pahni huyi har rato ko
Agar apni barbad duniya basaye
Duniya basaye
To samjho mohabbat ki ye intiha hai
To samjho mohabbat ki ye intiha hai.
