

Jay bholenath jay ho prabhu,  
Sabse jagat me uncha hai too  
Iss dar se chhota bada koyee na khalee gaya  
Par khalee hai aanchal meraa  
Jay bholenath jay ho prabhu,

Har dag dhulata hai yaha, dhulata yaha,  
Har bhagya khulta hai yaha, khulta yaha,  
Are mai bhee usee dar pe  
Aaya banatee sabkee bigadee jaha  
Dhungha jamin aasman  
Meraa toh sab kuchh yaha

Abb main aur jau kaha,  
Abb aas do malik too hee, o malik too hee,  
Kahee chain mujhe milta nahee ha milta nahee  
Are din ke ujale me khoya mere dil ka tukda kahee  
Mujpe bhee teree ho chhanv na mulk mangu na ganv  
De de mere bachhe ko panv  
Jay bholenath jay ho prabhu,  
Sabse jagat me uncha hai too.
