

Janmbhumi ke saput bolate chale
Jay he, jay he, jay he, jay he
Aaj saari bediyon ko kholate chale
Jay he, jay he, jay he, jay he

Iss jamin par dushmano ke pair hai jamein
Ek ek pair ko uthaane chal diye
Pair toh kya pairon ke nishaan bhi na rahe
Dushmano ka har nishaan mitaane chal diye
Unton pe yeh naara leke dolate chale
Jay he, jay he, jay he, jay he

Ek ek baat ka hisaab maangane
Chal pade sawaalon ke jawaab maangane
Aandhi mushkilon se khelate chale
Parwaton ko bhi pare dhakelate chale
Shabd shabd woh jubaan kholate chale
Jay he, jay he, jay he, jay he

Janmbhumi swarg se kahin haseen hai
Isaki ek ek baat behtareen hai
Kho gaya hai maan jo dilaane chal diye

Isaki wohi shaan phir banaane chal diye
Saans mein bandhi hawa ko kholate chale
Jay he, jay he, jay he, jay he
Janani janmbhumishchya swargaati?? Asi.
