

Jee le zyada jee le zyada  
Zindagi se hum  
Yeh kar le waada  
Jee le zyada jee le zyada  
Zindagi se hum  
Yeh kar le waada  
Soche kyun main aur tu  
Saanson ko roke kyun  
Lamha lamha behtein jaayein

Jee le zyada jee le zyada  
Jee le zyada jee le zyada  
Zindagi se hum  
Yeh kar le waada

Oh yeah

Dhadkanon ke sun ishaare  
Dhadkane de khwaab saare yeh  
Dhadkanon ke dhadkanon ke  
Sun ishaare  
Dhadkane de dhadkane de  
Khwaab saare  
Labbon pe basti ho  
Khushi barasati ho  
Ghum ki khabar na ho  
Fikron ki dhoop ho to  
Sar pe ugaale badalon ko

Befikar si baarishon mein  
Bheegein zyada jee le zyada  
Jee le zyada jee lein zyada  
Ho zindagi se zindagi se  
Hum yeh kar lein  
Waada kar lein waada

Soche kyun soche kyun  
Main aur tu main aur tu  
Saanson ko roke kyun  
Lamha lamha behtein jaayein

Jaayein jaayein jaayein  
Jo bhi ab hai wohi sab hai  
Iss ab ko jee le zara  
Na na na na na na na

Zindagi se hum  
Yeh kar le waada  
Jee le zyada jee le zyada  
Jee le zyada jee le zyada  
Zindagi se zindagi se  
Hum yeh kar le waada  
Kar le waada oh yeah

Jee le zyada jee le zyada  
Hum tum jee le zyada  
Hum tum jee le zyada  
Hum tum jee le zyada.
