

Jeena hai kya  
Jeena hai kya koi kya jane  
O deewane jhum le khushi me  
Jiya chum le hansi me  
Kya hai aur zindagi meri yaro  
Hole hole jiya dole dole dole  
Aaja hole hole hole o dilruba  
Dilruba aa bhi ja, o dilruba

Dil lagi bekhudi hai yahi zindagi  
Koi bahana dhund le  
Pyar ka daman chum le  
Koi bahana dhund le  
Pyar ka daman chum le  
Aur bin piye ghume ja  
Jina hai kya koi kya jane  
O deewane jhum le khushi me  
Jiya chum le hansi me  
Kya hai aur zindagi meri yaro  
Hole hole jiya dole dole dole  
Aaja hole hole hole o dilruba  
Dilruba aa bhi ja

Rut jawa dil jawa kah bhi le dasta  
Abhi se kyu majbur hai  
Abhi sawera dur hai  
Abhi se kyu majbur hai  
Abhi sawera dur hai

Dil ki sama na bujha  
Jina hai kya koi kya jane  
O deewane jhum le khushi me  
Jiya chum le hansi me  
Kya hai aur zindagi meri yaro  
Hole hole jiya dole dole dole  
Aaja hole hole hole o dilruba  
Dilruba aa bhi ja  
O dilruba.
