

Jeena kya hai jaana maine
Jab se tumko jaana hai
Lamha lamha khwahish hai ye
Bas tumko hi paana hai
Ho nindo se duriyaan si hai
Chain bin tere ab nahi
Rehti hoon main ab jaha kahi
Yaad aate ho tum wahin
I dont know why, i dont know why
I dont know why, dont know why
I dont know why

Ek duje mein hi saans hum lete hai
Dard bhi khushi khushi baant hum lete hai
Hai alag duniya se rishta tera mera
Manzilo se aage rasta tera mera
Chahe le chal tu jaha bhi sang tere aana hai
Tere liye duniya kya hai khud ko bhul jaana hai
Ho nindo se duriyaan si hai
Chain bin tere ab nahi
Rehti hoon main ab jaha kahi
Yaad aate ho tum wahin
I dont know why, i dont know why
I dont know why, dont know why
I dont know why

Khwab hai ye agar khwab ye naa tute
Maange dil yahi dua sath ye naa chhute
Khaas har lamha hai paas tere hone se
Darta hai dil mera tumko kho dene se
Ishq kya hai, pyar kya hai
Tumse milke jaana hai
Phulo me hai khushbu jaise
Tujhme yu kho jaana hai
Ho nindo se duriyaan si hai
Chain bin tere ab nahi
Rehti hoon main ab jaha kahi
Yaad aate ho tum wahin

I dont know why, i dont know why

I dont know why, dont know why

Ho nindo se duriyaan si hai

Chain bin tere ab nahi

Rehti hoon main ab jaha kahi

I dont know why, dont know why

I dont know why.
