

Hairaan hoon, darta hoon
Zindagi, kya ho gayi
Zakhmi zamin, aaj phir kahin
Barood ki baarish huyi
Yeh angaare, sehmi deewaren
Hai laatar ka dhuan

Ishwar jaane,maula jaane
Kaisa jeena yahan
Mujhe jeene do.. ho..
Mujhe jeene do.. ho..
Bas karo.. o..oo

Insaan hoon, kya chahoon
Ik pal ko jee loon zara
Ruk ruk ke chalta hoon
Jag jag ke sota hoon
Bebas sa, be-sahaara..
Dushman saare
Jhoothe hain waade
Imaan nochhen mera

Ishwar jaane,maula jaane
Kaisa jeena jahan
Mujhe jeene do.. ho..
Mujhe jeene do.. ho..
Mujhe jeene do.. ho..
Bas karo.. o..oo

Na hasrat koi, na aisi had koi
Jis ki khatir main lun jaan
Na maksad koyi, na mazhab koi
Jis pe ho jayun main qurbaan
Kya sach kya nahi
kya galat ,kya sahi
Jaanu na
Na main maseeha, na main farishta
Main hoon aakhir ek insaan

Dushman saare, jhoothe hain waade
Imaan nochhen mera
