

Kuchh khushbuye, yaado ke jungal se beh chalee
Kuchh khidkiya, lamho ke dastak pe khul gayee
Kuchh gith puraane rakhe the sirhaane
Kuchh sur kahee khoye the bandish mil gaye
Jine ke ishaare mil gaye, bichde the kinaare mil gaye

Meree jindagee mai teree baarish kya huyee
Mere raste darya bane behne lage
Meree karvato ko tune aake kya chhua
Kahee khwaab nindo kee galee rehane lage
Jine ke ishaare mil gaye, bichde the kinaare mil gaye

Meree loh havaao se jhagadkar lee uthee
Mere har andhere ko ujaale pee gaye
Tune haske mujhase muskuraane ko kaha
Mere mann ke mausam gulmohar se ho gaye
Jine ke ishaare mil gaye, bichde the kinaare mil gaye

Kuchh khushbuye, saanso se saanso me ghul gayee
Kuchh khidkiya, aankhon hee aankhon me khul gayee
Kuchh pyaas adhuree, kuchh shyam sindhuree
Kuchh reshamee gunaaho, mai rate dhal gaye
