Hoo aah haa haa

Jeeta tha jiske liye jiske liye marta tha
Jeeta tha jiske liye jiske liye marta tha
Ek aisi ladki thi jise main pyar karta tha
Ek aisi ladki thi jise main pyar karta tha
Jeeta tha jiske liye jiske liye marta tha
Ek aisi ladki thi jise main pyar karta tha
Ek aisi ladki thi jise main pyar karta tha

Kitni mohabbat hain mere dil mein
Kaise dikhau usse
Kaise dikhau usse
Deewangi ne paagal kiya hain
Kaise bataun usse
Kaise bataun usse
Mitaane se bhi na mitegi meri dastaan
Ek aisi ladki thi jise main pyar karta tha
Ek aisi ladki thi jise main pyar karta tha

Meri nazar mein mere jigar mein
Tasveer hai yaar ki
Tasveer hai yaar ki
Meri khushi ka yeh zindagi ka
Saugaat hai pyar ki
Saugaat hai pyar ki
Usike liye hain mere toh yeh dono jahan
Ek aisa ladka tha jise main pyar karti thi
Ek aisa ladka tha jise main pyar karti thi
Jeeti thi jiske liye jiske liye marti thi
Ek aisa ladka tha jise main pyar karti thi
Ek aisa ladka tha jise main pyar karti thi

Jaan se bhi jyada chaha tha jisko
Usne hi dhoka diya
Usne hi dhoka diya

Nadaan thi jo kutch bhi na samjhi

Chahat ko ruswaa kiya
Chahat ko ruswaa kiya

Bana ke usi ne ujada mera aashiyaan
Woh kaisi ladki thi jise tu pyar karta tha
Ek aisi ladki thi jise main pyar karta tha
Jeeti thi jiske liye jiske liye marti thi
Ek aisa ladka tha jise main pyar karti thi
Ek aisa ladka he jise main pyar
Ek aisa ladka tha jise main pyar.
