Ezhu vanna vaanavil kannodu
Edhirile nee vara inbame kooduthe
Idhayathin vaasalil thendralai veesudhe
Idhe nesam idhe vaasam endrum vendume

Yengidum endhan nenjamo
Jeevan neeye jeevan neeye
En uyir undhan thanjamo

Edho solla thondrudhe unnodu
Ezhu vanna vaanavil kannodu

Aan malarendral neethanada
Nee siritha nodigale mazhai thanadi
Endha kadavul thandha varamo
Nee enai serndhadhu
Ennai indha ulagil padaithadhe
Kaadhalil vizhundhu urugava

Siru kannadi naan un bimbame
Ennalum yendhi vaazhven
Adi aagayame un meedhile
Venmegam aagi saaiven

Jeevan neeye jeevan neeye
Yengidum endhan nenjamo
Jeevan neeye jeevan neeye
En uyir undhan thanjamo

Nee parthadhum uyir thaavudho
En kadalin alaiyellam unai thedudho

Unnai ninaithu uranga sendral
Imaigalum marukudhe
Karuvarai kuzhandhai polave
Kaadhalil naane vaazhgiren

Ada ennayule un kaiyile
Nee mattum podhum anbe
Adi manmoodidum annalilum
Un vaasam thedum nenje

Jeevan neeye jeevan neeye
Yengidum endhan nenjamo
Jeevan neeye jeevan neeye
En uyir undhan thanjamo
