

Jiwan path par pyar ne chhed  
Madhur madhur sargum  
Jiwan path par pyar ne chhed  
Madhur madhur sargum  
Bhul chale hai sari duniya

Prit ki dhun me hum  
Jiwan path par pyar ne chhed  
Madhur madhur sargum

Mahake huye nazare  
Kahte hai aao pyare  
Kab se saza rahe hai  
Hum raat ke khumare  
Hum raat ke khumare  
Der se aayi in raho me  
Payal ki cham cham  
Jiwan path par pyar ne chhed  
Madhur madhur sargum  
Jiwan path par pyar ne chhed  
Madhur madhur sargum

Ab apna aasiyana  
Phulo ke darmiya hai  
Ab ye zami hai apni  
Apna hi aasama hai  
Apna hi aasama hai  
Duniya bhar me aaj bata de  
Pyar ki khusbu hum  
Jiwan path par pyar ne chhed  
Madhur madhur sargum  
Jiwan path par pyar ne chhed  
Madhur madhur sargum

Soyi hui tamanna angdayi le rahi hai  
Ab to milan ki mazil awaz de rahi hai  
Awaz de rahi hai  
Dekh zamane sath chale hai  
Sath chalege hum  
Jiwan path par pyar ne chhed
