

Jheeni Jheeni Song Lyrics

Leaning on the edge and i wonder
Can you hear me now
The things i left unsaid
I still wonder
Can you hear me now

Calling out your name
But i don't believe that
Things would be the same again
Can you hear me now
Can you hear me now ow

Feelings in the way oh i can't explain
It's better not to say aloud
Can you hear me now
Can you hear me now

Jheeni jheeni beeni chadriya
Jheeni jheeni beeni chadriya
Sada ram ras beeni chadriya
Sada ram ras beeni chadriya
Jheeni jheeni beeni chadriya
Jheeni jheeni beeni chadriya

Jheeni jheeni jheeni jheeni
Jheeni jheeni
Jheeni jheeni jheeni jheeni
Jheeni jheeni jheeni chadriya

I'm tearing apart and i need
Someone to hear me now
Stitch the pieces of my heart
With your love
If you can hear me now

Searchin' for a sign
That i'm gonna make it
Baby i've been reachin' out

lyrics

Can you hear me now
Can you hear me now

Tryin' to carry on
But i'm scared of breakin'
Need someone to show me how
Can you hear me now
Can you hear me now

Hear me now

Sada ram ras beeni chadriya

I'm calling out to you
Can you hear me now
Can you hear me now
I'm calling out to you
Can you hear me now
Can you hear me now.
