

Jhootha Song Lyrics

Tara rum tara rum
Tara ra rara rum
Tara rum tara rum
Tara ra rara rum

Tara rum tara rum
Tara ra rara rum
Tara rum tara rum
Tara ra rara rum

All your boys
Bharatlyrics.com
Would you tell them that
You mine your mine your mine
That i'm yours
Baby would you be my ride
Or ride or die

Say you wanna vibe
Wanna get it
Imma tell you what i like
Come and get it

Loyalty and honesty
That's right can i get it
Can you provide?

Oh baby

Jhootha baby jhootha baby jhootha
Say you love me but
I know that your a liar

You don't know that you
Playing with fire
Jhootha baby jhootha hey

Rum tara rum tara rum
Tara ra rara rum
Tara rum tara rum
Tara ra rara rum

Tara rum tara rum
Tara ra rara rum

Tara rum tara rum
Tara ra rara rum

Hahaha maloom hai na
Main hoon tera tu hai meri
Saccha wala pyar hai
Yeh nahi hai hera pheri nahi hai

Ghumaane wala yahan shot nahi hai
Hot nahi hai tere alawa
Koyi duniya mein my lady

Din raat tere pichhe bana crazy
Woh kehti khule baal rakho
Use pasand wavy

Dono saath hai toh
Gayab is zamaane se
'cause i don't really mind
Tu nasha toh main nashedi haha

Tujhe pata nahi hai
Kya hai meri feeling, jaan de
Tu hai sage tera pyar meri healing
Tu 'ich hai

Mili mujhe tu i can't believe it
Ya baby bata do
Kya am i just dreaming?

Jabse bana tera kitnon ka dil toota
Khulla bol daala tune mera dil loota
Pyar mera sachha tere liye kasam se
Sacche alfaz hai bula rahi mujhe
Kyon jhootha

Jhootha baby jhootha baby jhootha
Say you love me but
I know that your a liar

You don't know that you
Playing with fire
Jhootha baby jhootha hey

Rum tara rum tara rum
Tara ra rara rum
Tara rum tara rum
