

Jinhe karna tha dil abaad apna
Wo hi chale aaj barbaad ho kar
Jinhe thi talash masarrato ki
Laut chale hai aaj nashad ho kar

Aaj husn ke ragi ashian ko
Zalim ishq ne loota saiyad ho kar
Ek sine se laga barbaadiyo ke
Ek khush hai aaj abaad ho kar

Ek doli mein baithi suhag lekar
Ek jati hai zer e zami dekho
Kamakhab ke pahane libas ik ne

Aur ek hai khaqanashi dekho

Jisaki lash pe koi na roye aakar
Yahi hai wo mah e zabi dekho
Ek tahani ke dono hai phool lekin
Ek muraajhaya hai ek hai khun dekho.
