

Hotho pe sachchai rahti hai  
Jaha dil me safai rahti hai  
Ham us desh ke vasi hai  
Ham us desh ke vasi hai  
Jis desh me ganga bahti hai  
Hotho pe sachchai rahti hai  
Jaha dil me safai rahti hai  
Ham us desh ke vasi hai  
Ham us desh ke vasi hai  
Jis desh me ganga bahti hai

Mehama jo hamara hota hai  
Vo jaan se pyara hota hai  
Mehama jo hamara hota hai  
Vo jaan se pyara hota hai  
Zyada ki nahi lalach hamko  
Thode me guzara hota hai  
Thode me guzara hota hai  
Bachcho ke liye jo dharti man  
Sadiyo se sabhi kucha sahti hai  
Ham us desh ke vasi hai  
Ham us desh ke vasi hai  
Jis desh me ganga bahati hai

Kuch log jo zyada jante hai  
Insan ko kam pahchante hai  
Kuch log jo zyada jante hai  
Insan ko kam pahchante hai  
Ye purab hai purabavale  
Har jaan ki kimat janate hai  
Har jaan ki kimat janate hai  
Mil jul ke raho aur pyaar karo

Ek chiz yahi jo rahti hai  
Ham us desh ke vasi hai  
Ham us desh ke vasi hai  
Jis desh me ganga bahti hai

Jo jisse mila sikha hamne  
Gairo ko bhi apnaya hamne

Jo jisse mila sikha hamne  
Gairo ko bhi apnaya hamne  
Matlab ke liye andhe hokar  
Roti ko nahi puja hamne  
Roti ko nahi puja hamne  
Ab ham to kya sari dunia  
Sari dunia se kahti hai  
Ham us desh ke vasi hai  
Ham us desh ke vasi hai  
Jis desh me ganga bahti hai  
Hotho pe sachchai rahti hai  
Jaha dil me safai rahti hai  
Ham us desh ke vasi hai  
Ham us desh ke vasi hai  
Jis desh me ganga bahti hai.
