

Woh mera rounake mehfil kahan hai
Woh mera rounake mehfil kahan hai
Meri bijali mera hasil kahan hai
Mukam usaka hai dil ki khilbaton mein
Khuda jane mukame dil kahan hai

Jis din se juda woh hamase huye
Is dil ne dhadakna chhod diya
Jis din se juda woh hamase huye
Is dil ne dhadakna chhod diya
Hai chand ka munh utara utara
Taron ne chamakna chhod diya
Is dil ne dhadakna chhod diya

Woh pas hamare rehte the
Berut bhi bahar aa jaati thi
Woh pas hamare rehte the
Berut bhi bahar aa jaati thi
Ab lakh bahare aaye toh kya
Ab lakh bahare aaye toh kya
Phulo ne mehakana chhod diya
Phulo ne mehakana chhod diya
Hai chand kaa munh utara utara
Taaro ne chamakana chhod diya
Is dil ne dhadakna chhod diya

Hamrah koi sathi bhi nahin
Ab yaad koi baki bhi nahin
Hamrah koi sathi bhi nahin
Ab yaad koi baki bhi nahin
Abb phul khile jakhamo ke kya
Abb phul khile jakhamo ke kya

Aankho ne barasana chhod diya
Aankho ne barasana chhod diya
Hai chand kaa munh utara utara
Taron ne chamakana chhod diya
Is dil ne dhadakna chhod diya

Humane yeh dua jab thi mangi

Takdir badal de yeh malik
Humane yeh dua jab thi mangi
Takdir badal de yeh malik
Aawaj aai ki ab hamane
Aawaj aai ki ab hamane
Takdir badalana chhod diya
Takdir badalana chhod diya
Hai chand ka munh utara utara
Taron ne chamakana chhod diya
Taron ne chamakana chhod diya
Jis din se juda woh hamase huye
Is dil ne dhadakana chhod diya
Taron ne chamakana chhod diya.
