

Jis din sooraj ki pahli kiran
Utri thi zameen par
Jis din sooraj ki pahli kiran
Utri thi zameen par

Us din se mai tujhse
Mohabbat karta hoon
Jis din sooraj ki pahli kiran
Utri thi zameen par
Us din se mai tujhse
Mohabbat karta hoon
Jis din sooraj ki pahli kiran
Utri thi zameen par

Mera pyar nayi koi baat nahi
Mera pyar tha sadiyo pahle bhi
Mera pyar nayi koi baat nahi
Mera pyar tha sadiyo pahle bhi
Jo tujhse kiya hai aaj wahi
Ikrar tha sadiyo pahle bhi
Jo tujhse kiya hai aaj wahi
Ikrar tha sadiyo pahle bhi
Jo dil jab do insano ke
Mil kar dhadke the
Us din se main tujhse

Mohabbat karta hoon
Jis din sooraj ki pahli kiran
Utri thi zameen par

Yeh duniya jab tak baki hai
Main tera sath na chodunga
Yeh duniya jab tak baki hai
Main tera sath na chodunga
Tere aachal ke ik jhoke se
Rukh toofano ke modunga
Tere aachal ke ik jhoke se
Rukh toofano ke modunga
Jis din se pyar ki rasham chali
Aye jane tamanna
