

Kabhi kya hai yeh socha hamare liye  
Hai kya kya chhupa waqt mein  
Ke darna kisise kaisa  
Bhala khuli hai raahein  
Come on come on come on  
Hame mauka yeh jo mila hai toh  
Come on come on suno  
Huva kal jo bhi use jaane do  
Chhodo bhi kal ki baatein  
Kal kabhi na woh badalega  
Haan ek aur kal hai jo aage hamare  
Kuchh hamein hai kar dikhana  
Ke jaane us kal mein hai kya  
Yeh to jaane koi na  
So come on come on suno  
Jiye hum har lamha

Jaane kisi bhi pal mein kyun  
Bewajah raahein juda ho jaaye  
Aur aise mein na ho ke dil ke koi  
Sapne baaki reh jaaye  
Come on come on come on  
Hame mauka yeh jo mila hai toh  
Come on come on suno  
Huva kal jo bhi use jaane do  
Chhodo bhi kal ki baatein  
Kal kabhi na woh badalega  
Haan ek aur kal hai jo aage hamare  
Kuchh hamein hai kar dikhana
