

Jo bhi kasmlein khaayi thi humne  
Vaada kiya tha jo milke  
Tune hi jeevan mein laaya tha mere savera  
Kya tumhe yaad hai  
Kya tumhe yaad hai  
Kya tumhe yaad hai  
Din woh bade haseen the  
Raatein bhi khush naseeb thi  
Tune hi jeevan mein laaya tha mere savera  
Kya tumhe yaad hai  
Kya tumhe yaad hai  
Kya tumhe yaad hai

Jaage jaage rehte the khoye khoye rehte the  
Karte the pyaar ki baatein  
Kabhi tanhaayi mein kabhi purvaayi mein  
Hoti thi roz mulaakaatein  
Teri in baahon mein teri panahon mein  
Maine har lamha guzaara  
Tere is chehere ko chand sunhere ko  
Maine to jigar mein utaara  
Kitne tere karib tha main to tera naseeb tha  
Hoton pe rehta tha har waqt bas naam tera  
Kya tumhe yaad hai  
Haan mujhe yaad hai  
Haan mujhe yaad hai

Din ke ujalo mein khwaabon khayalon mein  
Maine tujhe pal pal dekha  
Meri zindagani tu meri kahani tu  
Tu hai mere haathon ki rekha  
Maine tujhe hai chaaha to apna banaya to  
Tu ne mujhe dil mein basaya  
Pyaar ke rango se behki umango se  
Tune mera sapna sajaya  
Tere labon ko chumke baahon mein teri jhoom ke

Maine basaya tha aankhon mein tere basera  
Kya tumhe yaad hai  
Haan mujhe yaad hai

Haan mujhe yaad hai  
Jo bhi kasmlein khaayi thi humne  
Vaada kiya tha jo milke  
Tune hi jeevan mein laaya tha mere savera  
Kya tumhe yaad hai  
Haan mujhe yaad hai  
Haan mujhe yaad hai.
