

Jo hum pe gujarti hai
Tanha kise samjhaye
Tanha kise samjhaye
Tum bhi to nahi milte
Jaye to kidhar jaye
Jaye to kidhar jaye

Samjha hai na samjhega
Is gum ko yaha koi
Bedardo ki basti
Hai hamdard kaha koi
Jo sirf tumhara hai
Wo dil kise dikhlaye
Wo dil kise dikhlaye
Jo hum pe gujarti hai
Tanha kise samjhaye
Tanha kise samjhaye

Jab jane wafa teri
Kurbat na sayegi
Wo subah kab aayegi
Wo sham kab aayegi
Kab tak dile nadan ko
Un wado se bahlaye
Un wado se bahlaye

Aaja ke mohabbat ke
Mitne ko hai taswire
Aaja ke mohabbat ke
Mitne ko hai taswire
Pahre hai nigaho
Pe arman janjire
Bas mein nahi warna
Hum uud ke chale aaye
Mud ke chale aaye
Bas mein nahi warna

Hum uud ke chale aaye
Uud ke chale aaye
Jo hum pe gujarti hai
Tanha kise samjhaye
Tanha kise samjhaye.
