

Jo pahli mulakat me
Sharmata hai ghabrata hai
Ek roz hatheli par dil lekar
Bhaga bhaga aata hai
Jo pahli mulakat me
Sharmata hai ghabrata hai
Ek roz hatheli par dil lekar
Bhaga bhaga aata hai
Ek roz hatheli par dil lekar
Bhaga bhaga aata hai

Mohabbat ki bate khyalo ke mele
Tamannao ke mauje ummido ke rele

Juba chup hai lekin najar kah rahi hai
Tum hamse ulfat ka paygam lele
Jo aankh milakar aata hai
Or aankh chura kar jata hai
Ek roz hatheli par dil lekar
Bhaga bhaga aata hai
Jo pahli mulakat me
Sharmata hai ghabrata hai
Ek roz hatheli par dil lekar
Bhaga bhaga aata hai

Jara gungunao jara muskurao
Ho dil me koi gum to use bhul jao
Agar tum hasi ho hasi hai ye dunia
Mohabbat ke nagle suno or sunao
Jo apne hi armano pe
Roz tofano se takrata hai
Ek roz hatheli par dil lekar
Bhaga bhaga aata hai
Jo pahli mulakat me
Sharmata hai ghabrata hai
Ek roz hatheli par dil lekar
Bhaga bhaga aata hai
Jo pahli mulakat me
Sharmata hai ghabrata hai
Ek roz hatheli par dil lekar
