

Jiwan me mere tum sajan banke aao
Ye to nahi ho sakta kuch or farmao
Sajan na sahi mere sathi bana jao
Ye bhi muskil hai koi or kam batao
Sathi na sahi dost hi ban jao
Are re re ye to sochna padega
To sochte raho

Jo soch ke karega wo pyar kya karega
Agaz se pahle hi anzam se darega
Jo soch ke karega wo pyar kya karega
Agaz se pahle hi anzam se darega
Bina soche samjhe pyar jo karega
Wo jite ji marega
Wo jite ji marega
Bina soche samjhe pyar jo karega
Wo jite ji marega
Wo jite ji marega

Sath apna kya nibhega tu kaha or kaha mai
Sath apna kya nibhega tu kaha or kaha mai

Tere piche sari dunia tanha hu ma ijaha me
Humdard tu banega har dard bhul jau
Tere siwa jaha ka har mard bhul jau
Hai tuhi mera sathi hero tu bhi banega
Bina soche samjhe pyar jo karega
Wo jite ji marega
Wo jite ji marega
Jo soch ke karega wo pyar kya karega
Agaz se pahle hi anzam se darega

Mere paas na agar aao dil ko leke aao
Mere paas na agar aao dil ko leke aao
Apne dimag ko tum daftar me chod aao
Jab aap ki ye jidd hai hazir hai dil hamara
Is dil ko chahiye tha bas aapka ishara
Ab aaye raste par
Ab aaye raste par
Ab dil se dil milega

Jo soch ke karega wo pyar kya karega
Agaz se pahle hi anzam se darega.
